- The Arc cannot provide meals out each time the group goes on an outing. There are several activity days when the parents are asked to send sack lunches. If you would prefer to pay to have the group eat out, please discuss this with Joyce.
- Throughout the program year, we will be asking for parents to sign up for food & other supplies to bring for different activity dates. We appreciate your support.
- Unless otherwise noted, the program hours are from 10a-3:30p. I will try my best to remind everybody of the upcoming Saturday Fun Day. It is not always possible for me to do so however, so please keep a copy of the calendar in an easily accessible location to review from time to time.
- Unless it is designated that the group will be going out for lunch, please send a sack lunch along for your child.
- Please note all activities are subject to change. You will be given proper notification of any such changes.
- If your child will not be attending an activity, please call Bethanne R. Franco, Director of Programs, at 713.957.1600 x 16.
