- To keep costs down, The Arc cannot provide meals out each time the group goes on an outing. There are several activities where the parents are asked to send sack lunches and a few where parents are asked to send money for lunch.
- Please note all activities are subject to change. You will be given proper notification of any such changes. Dates with asterisks were changed from the regularly scheduled rotation due to holidays. Please make note of these changes.
- Please notify me if your child will not be attending an activity. We would like to begin the program on time so if you notify us before hand we will know who is attending or not. My contact info is Bethanne Franco, Director of Programs. Please either contact me by phone at 713.957.1600 x 16 or email at barafat@thearcofgreaterhouston.com.
- I will try my best to remind everybody of the upcoming Saturday Fun Day however, it is not always possible to do so. Please keep a copy of the calendar in an easily accessible location to review from time to time.
